Everyday Activity: 'Creative Stupidity' in the Shop

CLCH Speech and Language Therapy: Learning During Everyday Activities. When you do the 'unexpected' with your child in a fun way, it is a good opportunity to make them laugh and an opportunity for them to communicate with you. Have fun being silly together!

<https://www.youtube.com/watch?v=2TuIRM62SdU>

Everyday Activity: Offering Choices in the Shop

CLCH Speech and Language Therapy: Learning During Everyday Activities. When you are out shopping it is a great time to offer choices. It gives your child an opportunity to have something to communicate about

<https://www.youtube.com/watch?v=vt3JRWByCes>

Everyday Activity: Singing in the Park

CLCH Speech and Language Therapy: Learning During Everyday Activities. When you are in the park you can sing to your child. Singing helps children learn new words and is a great time to help them with their talking and communication

<https://www.youtube.com/watch?v=ATYCGC2ShLI>

Everyday Activity: Tickling

CLCH Speech and Language Therapy: Learning During Everyday Activities. Tickling is a good opportunity for your child to start an interaction and respond to you. It can be a great time to learn body parts as well. Have fun playing tickling games!

<https://www.youtube.com/watch?v=1qk82FpLVTs>

Everyday Activity: Toys at Home- the Car Run

CLCH Speech and Language Therapy: Learning During Everyday Activities. A car run is a great toy that you can use at home to support attention and listening, taking turns and communication skills.

<https://www.youtube.com/watch?v=MFhgu4O6mWo>

Everyday Activity: Sharing Books

CLCH Speech and Language Therapy: Learning During Everyday Activities. Sharing books is a great time to support language development. You don't have to read all the words, you can talk about what is happening in the pictures, and use Makaton signs to support your language.

<https://www.youtube.com/watch?v=mA3rGzfJev8>

Everyday Activity: Bath time

CLCH Speech and Language Therapy: Learning During Everyday Activities. Bath time is a great time to support language development. You can introduce choices, name objects, and introduce action words. Most importantly, have fun at bath time!

https://www.youtube.com/watch?v=T3z_NsWZzrw

Everyday Activity: Play Time

CLCH Speech and Language Therapy: Learning During Everyday Activities. 'What's in the bag?' is a fun game to introduce new words to your child. You can use a pillow case at home, and put some everyday objects into it. You can name objects, and introduce action words and describing words.

<https://www.youtube.com/watch?v=73c2NTTW9pE>

Everyday Activity: Playing with the Car Track

CLCH Speech and Language Therapy: Learning During Everyday Activities. A car track is a great toy that can be used for lots of things. Lots of children love playing with a car track. Watch the video to see how you can use it to help your child make requests.

Visual Support: Making a Now and Next Board

CLCH Speech and Language Therapy: Visual Support for Children. A 'now and next' (also known as a 'first and then') board can help children to keep motivated to move between tasks. It can help reduce anxiety because the child knows what will happen next. You don't need printed symbols, you can make your own board at home!
